

CONCLUSION

This Rule 1.312 Amendment is requested to address what is believed to be informalities in the claims that were introduced in the Examiner's Amendment accompanying the Notice of Allowance dated October 26, 2010. Specifically, claims 1, 10 and 19 have been amended to provide more consistency in the introduced "computer system" language. *No new matter has been added by this amendment*, and entry of the amendment is warranted as it merely addresses minor informalities.

If it is determined that a telephone conference would expedite the prosecution of this application, the Examiner is invited to telephone the undersigned representative Christopher Tobin at (202) 955-8779.
